

## Special: Digital Zoom consultation on HBV/HCV/HDV

Swiss HePa and Hepatitis Switzerland links patients with liver specialists supporting the patients' journey. During the digital consultation hour **Prof. Dr. med. Dr. h.c. Peter Schemmer** answers individual and general questions on hepatitis B, C and delta co-infection in an understandable language providing helpful information, knowledge and recommendations.

**Prof. Dr. med. Dr. h.c. Peter Schemmer**, Head of the Liver Clinic Switzerland, Senior Consultant of both the Pancreas Clinic Switzerland and the Bern Visceral Surgery, Hirslanden Hospital Beau-Site will address hepatitis related topics like

- Causes
- Distribution
- Groups of people at risk
- Diagnoses
- Course of the disease
- Treatment options
- Therapy monitoring
- Symptoms
- Symptom monitoring
- Recommended vaccinations
- Sexuality and pregnancy

The interactive dialogue - between doctor and patient - in a confidential and neutral setting is very important and helpful. As the digital Zoom consultation has been a lasting success since 2022, Swiss HePa would like to draw your attention to this special Zoom consultation on
