

Swiss Hepatitis Symposium 2018

«Closing the Gaps»

A short view on the MSM-Prevention-Side

Andreas Lehner, CEO, Swiss Aids Federation

Closing the Gaps?

FINDING the Gaps!

Is HCV sexually **transmitted** or sexually **transmissible**?

Sexually transmitted

Gonorrhea

Chlamydia

HIV

HPV

Syphilis

Etc.

HCV?

Sexually transmissible

HCV?

Flu

Measles

Etc. etc.

Setting and Realities

Setting and Realities

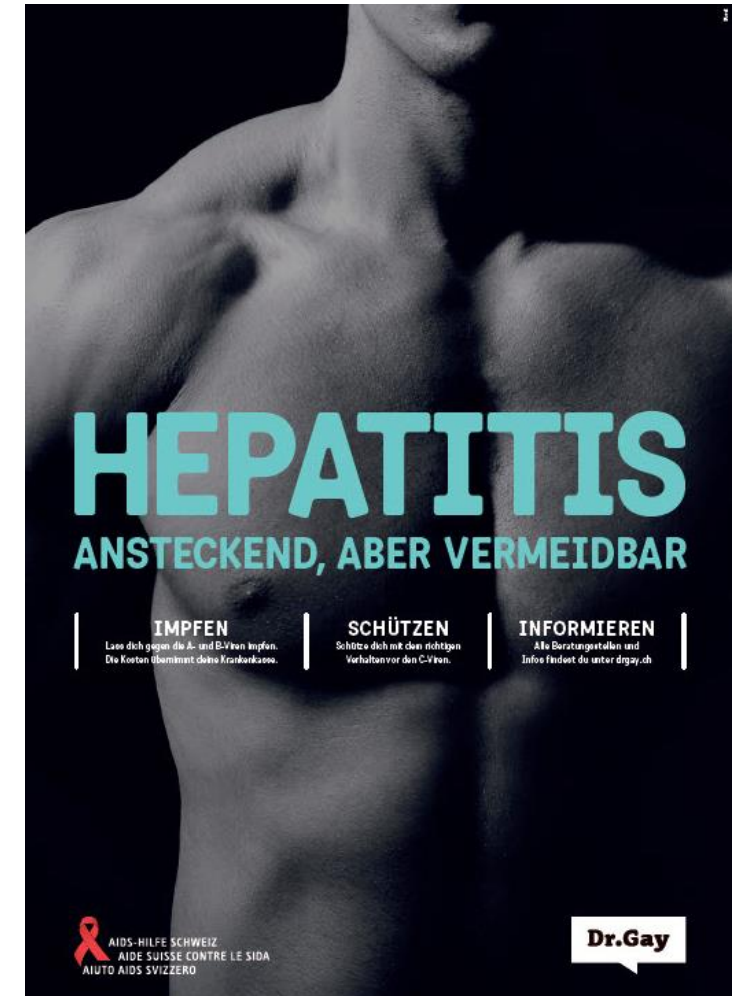

Prevention

HIV+ MSM: HCV-Test at each Check-Up

HIV- MSM on PrEP: 1-2 HCV-Tests per year

HIV- MSM: no special screening -> awareness

All MSM: Safer Sex Rules, Safer Use Rules

Reducing the Gaps
means also a good
co-work between the
medical and prevention sector
